

First Families of the Twin Territories

An Invitation to Descendants of the Early Settlers of Oklahoma

First Families of the Twin Territories, a nonprofit adjunct organization under the jurisdiction of the **Oklahoma Genealogical Society**, was founded to recognize, honor and perpetuate the memory of early Pioneer and Indian families who were residents of Oklahoma or Indian Territory on or before the date of Statehood, 16 Nov 1907.

If you can prove each generation of your direct lineage back to an individual who settled in one of the Twin Territories, you are eligible for Lifetime Membership in *First Families of the Twin Territories*. When approved, you will receive a handsome certificate, an attractive gold-tone lapel pin, and an annual newsletter. You will have your own membership number.

You are invited to complete the Application for Membership and submit it with the qualifying documents and a check for your one-time membership fee. The fee of **\$25.00** registers you through one documented ancestor. **To register more than one ancestor**, (some members have several eligible ancestors), you should **submit another (supplemental) application for each ancestor** and include a **\$5.00** payment for each certificate requested. (See further explanation on page 2) You may register through a single ancestor or several, according to your wishes and the documentation you provide.

If another family member (such as your child or sibling) wishes to register through an ancestor, that applicant must submit an application form – following the same process described above – and enclose his (or her) check for **\$25.00** or more.

As a genealogical organization, we encourage credible genealogical research and require legible copies of original documents as proof of lineage. If you are not familiar with standard genealogical practices concerning documents, you may want to research this at your local historical society, genealogical society, or public Library.

Sources for some of these records are **county courthouses for marriage, land and probate records; the State Departments of Health for birth and death records; and genealogical libraries for local and county records, cemetery information, city directories, etc.** The Oklahoma Historical Society has copies of census records, state newspapers (from earliest published to present day), indexes to homestead applications, Indian emigration rolls, and many other early day Oklahoma Territory and Indian Territory records.

Research at the Oklahoma Historical Society Library is done by an OGS volunteer for a fee of \$15.00 per hour plus photocopies. **For assistance with your research, write to:** Genealogy Assistance, Oklahoma Genealogical Society, P. O. Box 12986, Oklahoma City, OK 73157. Send payment for the first hour and a **self-addressed stamped envelope** with your request.

Questions about the FFTT organization, about applying for membership, or queries concerning the application instructions should be directed to **FFTT, Oklahoma Genealogical Society**, P. O. Box 12986, Oklahoma City, OK 73157, or by e-mail found on <http://www.rootsweb.com/~okgs/>.
